

NEUROCONNECTED

FOR MALE-IDENTIFYING AND NON-BINARY
NEURODIVERSE INDIVIDUALS

Group Objectives

- 1) To provide male-identifying and non-binary, neurodiverse teens and adults a space to connect and share their experiences navigating life as a neurodivergent person.
- 2) To provide education on various topics relating to the experience of being an ND male, trans, or nonbinary-identified person
- 3) To discuss coping and thriving strategies while living in a non-neurodivergent world
